

## IIScAA Science & Technology Run, 17<sup>th</sup> Dec 2017

(As part of the IISc Alumni Reunion-2017)

Join us on a lovely winter Sunday morning for a walk through the IISc Campus, traversing through paths old and new, through the buildings you have fond memories of.

We begin from the Tata Statue at 7.30 AM and end at the atrium in front of the A Mess @ 9 AM. Registrants for the main event (Alumni Reunion-2017) who have indicated their participation in the SnT Run will receive T-Shirts and Caps when they come for the event between 6:30 to 7:15 AM on Dec.17, 2017, in front of the main building. Coffee/Tea will be served during this time.

**Appeal** We appeal to you all to donate liberally for this event since the SnT Run is totally funded by IIScAA and is not part of the registration amount you have paid for the main event.

Link for Payment : <http://www.iiscalumni.com/payment-calc/> (in this link, please select the option – “Contribution/ Donation for SnT Run 2017”) A special mention of your generous contribution would be mentioned in the IIScAA website.

**Lots of fun activities waiting for you! Pick your choice and have a great time!**

- Walkathon** Enjoy a walk around the beautiful & verdant campus of our Alma Mater along with friends of all ages.
- Insect Walk** Gather around for a walk through the Institute campus, learning about the habitats and lives of the insects who call it home: how they eat, how they metamorphose, how they love, how they collaborate, how they die. We begin from the Tata Statue around 7:30 AM and depending on the number of registrations, leave for this unusual walk in one or two batches.
- We will have only about 40 spots, so tell us quickly! Indicate your interest here so we can prepare accordingly: <https://goo.gl/forms/12O7COdWylOyv99y2>
- Kavade Games** Experience a joyous installation of games that occupied our ancestors way before plastic was invented. You will travel across time, cultures and continents as you marvel at the profound ease with which we can occupy ourselves. Try out a round or a few of Pallanguzhi, Huli Aadu Aata, Chowka Bhara, Pachisi and a bunch of others. We will be set up in the lawns behind the Tata Statue.
